E3 REVOLUTIONIZING DISASTER RELIEF HOUSING

Safe, Sustainable, and Scalable Solutions for Global Emergencies

LEARN MORE >>

BUILT FOR RESILIENCE

Why the E3?

The E3 is engineered to bring comfort and stability to communities facing crises, from natural disasters to war zones. With a galley kitchen, bathroom, and California king-sized bedroom, it provides a true home experience when it's needed most.

Galley Kitchen

Prepare meals with a compact yet fully functional galley kitchen, designed for efficiency in tough times.

Complete Bathroom

Ensuring hygiene and comfort with a modern, full-sized bathroom.

Spacious Bedroom

Rest peacefully on a California king-sized bed in a secure, weather-resistant environment.

OPTIMIZED FOR EMERGENCY RESPONSE

The E3 doubles shipping efficiency, allowing rapid deployment of up to 50 units per vessel. This scalability is unmatched, reducing transportation costs and expediting response times.

- ☑ **Category 5+ Storm Resistance.**
- ☑ **Extreme Heat and Cold Adaptability:** -40°F to 160°F
- ☑ **Steel Platform Legs:** “Built-in steel legs provide stability for harsh environments and can be secured to a concrete slab or helix anchors for extra resilience.”
